

USHENINTE DANGANA

SOFTWARE ENGINEER (FRONTEND)

+2348022616337

jrandangana@gmail.com

Nigeria

I am a passionate and emotionally intelligent software engineer, open to new and challenging experiences. I have a proven track record in building innovative digital experiences for real world clients on the web. I work with NodeJS. I am currently a frontend developer.

EDUCATION

2016

present

Lead City University

B.Sc (Hons) Psychology

WORK EXPERIENCE

2018

Present

Head of Technology / JamCityLive Entertainment

2017

2018

Web Development Consultant / JamCityLive Entertainment

JamCityLive is an initiative that simply encourages the concept "Learn by Doing". JamCityLive is all about educating young people. Educating in the sense that it is all about providing students with a platform to practice what they really want to become in the near future.

<https://www.jamcitylive.com>

2017

Present

Founder & Lead Developer / Poetrique

Poetrique is a project that utilizes technology in innovative and experimental ways. It is a creative arts brand, that works with world-class technology to produce amazing results.

<https://poetrique.xyz>

PORTFOLIO

react-fcctest

<https://github.com/Usheninte/react-fctest>

This is an open source initiative. It is essentially a React plugin for the freeCodeCamp Test Suite.

Portfolio Web App

<https://usheninte.xyz>

This is my current online portfolio. It houses all of my current key projects - both Open Source, and those built for real-world clients.

SKILLSET BAR

This is a systematic breakdown of my current technology stack and working skills.

JavaScript(ES6+) / NodeJS

WordPress / Technical Writing

Github / Netlify

HTML / CSS / Bootstrap

ReactJS / VueJS / React Native

LANGUAGES

I grew up in the East African city of Dar es Salaam. This is where and how I learnt Kiswahili.

Swahili

English

INTERESTS

I am interested in the arts, philosophy and critical thinking in general.

Curating Music
